# COURSE TITLE

## Sports Law

**Target Audience:** coaches, active athletes, heads of physical culture and sports organizations, and specialists in the field of physical culture and sports.

---

## COURSE DESCRIPTION

The course provides participants with a comprehensive understanding of the fundamentals of sports law, including key concepts, methods, and strategies for legal regulation in the sports industry. It covers current legal trends, typical disputes and their resolution, as well as legal protection mechanisms for athletes, coaches, and sports organizations.

---

## LEARNING OUTCOMES

Participants will defend a final project or prepare contracts for athletes, coaching staff, sponsorship agreements, and draft a dispute resolution submission. Upon completion, a certificate of advanced training will be awarded.

---
